### Chapter 1 by R

Here's the details.

Confess something. It doesn't have to be big, it doesn't have to be story wars related (though that's probably for the best) but it has to be a confession of some sorts.

No one but you will know that the confession is yours.

Unless, of course you win.

See? Drama! Excitement! Passion! Romance! Well, I'm not so certain about the last two, but you never know.

I'll start with one that I'm unashamed of but is still a confession.

You know Cold? The fantasy story about the assassin that turned hilarious and that I turned kind of more serious?

Seriously, look up Elsword and look at all those characters I introduced. I did it. I'm a freaking criminal mastermind. And you helped me.

Now it's your guys' turn. I'm going to feel real embarrassed if somebody doesn't start sharing secrets. The more there are, the less likely that yours is going to get picked, see?

### Chapter 2 by Joakim

The first version of Story Wars was really, really red.

I didn't know that we were in Sunday Times or The Guardian until like 2 weeks after because I was on vacation.

My girlfriend found me crying in the shower when we were featured by Google.

I am secretly in love with intellikat, shush, don't tell anyone.

The first prototype of Story Wars looked like this: <http://joakimdesign.com/continue-the-story/>

I am very afraid of standing in front of crowds and had to present Story Wars in front of 200 people last year.

### Chapter 3 by Crimson Pain

This is my confession

I joined this site in hopes of letting my true feelings out. I have always felt alone and left out but for some reason when i'm on Story Wars i don't feel so alone.

### Chapter 4 by intellikat

This is my confession.

Sometimes I will fake an orgasm with my girlfriend so that I can get back to Storywars. She has caught me twice at about 2am ty. See more of Story Wars room. She thought I was looking at porn the first time, because I had a link to the room or its pic. But then she got into Storywars, too.

Our sex life has declined, but we don't care.

Storywars rulez.

### Chapter 5 by SaintSayaka

I am currently writing on Story Wars instead of studying for my fifty page AP Macroeconomics exam.

It's in God's hands now.

### Chapter 6 by the smiling man

This is my confession.

I'm really, really scared of dogs. Doesn't matter what breed it is, doesn't matter how cute it is. Everytime I see a dog near me, I try to keep the longest distance possible, even if I'm late somewhere. It gets even worse when two dogs walk side by side. Then I just try to turn back the other way.

### Chapter 7 by intellikat

This is my confession.

I am actually a dog. And I want to sniff the smiling man's butt. I have a friend. He is another dog. We like to walk side by side. And we both want to sniff his butt.

If we see him near us, we will run over, wagging our tails and lolling our tongues.

We will sniff his butt!

### Chapter 8 by KlausBaudelaire

This is my confession.

Well, it shouldn't really count as a confession, should it? If I didn't mean to? He was just making me so angry, and it - it was right there. The gun. I didn't think I would do it, but suddenly smoke was coming out of the barrel and his face was getting as red as my vision.

But I didn't mean to. Not really.

My actual confession is that I was in love with a girl I went to school with for four years, and the closest I came to telling her was writing her a note while on the bus. Backwards. That was at least a paragraph long.

I was NOT the smoothest of people. I'm still not, but I pretend I am.
